Sir:

In response to the outstanding Office action mailed November 8, 2005, in connection with the above-identified application, kindly amend the subject application as follows and consider the accompanying remarks.

Amendments to the Claims are reflected in the listing of the claims, which begins on page 2 of this paper.

Remarks begin on page 6 of this paper.

Appl. No. 10/807,211
Amdt. Dated Jan. 19, 2006
Reply to Office Action of November 8, 2005

Amendments to the Claims

This listing of claims will replace all prior versions and listings of claims in the application:

Listing of Claims:

Claim 1 (currently amended): A surface lighting device for a display device, comprising:

a light guide plate having a light incident surface;

a light reflector substantially juxtaposed with the light guide plate, the light reflector having a reflecting portion obliquely opposite to the light incident surface; and

a point light source for emitting light beams, the point light source located between one end of the light reflector and the light incident surface, the point light source having a light emitting surface located inside the light reflector;

wherein the light reflector receives the light beams emitted from the point light source, and reflects the light beams into the light incident surface of the light guide plate.

Claim 2 (original): The surface lighting device as described in claim 1, further comprising a brightness enhancement film sandwiched between the light incident surface and the light reflector.

Claim 3 (canceled)

Claim 4 (original): The surface lighting device as described in claim 1,
